

25TH ANNUAL AOWA TRADE SHOW / ANNUAL PHCC TRADE SHOW

First time ever the Plumber-Heating-Cooling-Contractors will join us at our Trade 25th Annual Trade Show!
We expect 500 to 600 attendees at the show!!!!

- The AOWA Trade Show serves as a marketplace for onsite wastewater industry companies and provides an opportunity to showcase the industry's equipment, systems, components, tools, and services.
- Give your company the exposure it needs to increase leads and sales.
- Interact with businessmen and businesswomen from companies involved in manufacturing, installing and servicing onsite systems and portable restrooms across Alabama.
- Given the powerful impact and high profile an exhibit and/or sponsorship delivered at an event that is tailored specifically to your industry, you will gain maximum exposure in your target market.
- AOWA works to ensure excellent traffic flow on the exhibit floor. Coffee breaks are held in the exhibit hall exclusively during the training program intermissions. Training sessions offer continuing education required for Alabama's industry licensing program and CE credit is given for those attending the AOWA Trade Show – this guarantees lots of traffic. Door prize drawings are held to encourage maximum traffic throughout the day, and the Trade Show concludes with the annual drawing for **\$20,000 CASH!** It is an exciting reverse draw raffle with an opportunity to buy and sell remaining eligible tickets as the drawing comes down to the last raffle ticket.
- Attendee information: This is the largest industry show in Alabama and we expect to draw more than 500 to 600 septic tank manufacturers, installers, pumpers portable restroom company representatives, plumber, and heating and air contractors from both large and small businesses across the entire state.

Make new contacts and generate highly qualified leads

For a minimum investment, the AOWA Trade Show gives your company two days of face-to-face contact with hundreds of your best prospects—septic tank pumpers, installers, and manufacturers, and portable toilet companies.

The AOWA Trade Show is the ideal venue for achieving marketing and advertising goals through participation as an Exhibitor and/or a Sponsor

Alabama Onsite Wastewater Association
PLUMBING-HEATING-COOLING-CONTRACTORS ASSOCIATION
